

Rebenching Discussion Questions

TOM TORLAKSON
State Superintendent
of Public Instruction

Discussion Questions

- Select a recorder and reporter and consider the data contained in the powerpoints and the handouts.
 - What value(s) would you select to report as the new baseline data in a proposal to OSEP? Why?
 - Would you propose to have a single value for all districts unique values for all groups? Why?
 - What would you have the target(s) be in five years? Why?
 - Would you propose to have a single value for all districts unique values for all groups? Why?
 - How would you have the target values increase over the five year period? Straight line? Curve?
 - (Extra Credit) If you had to create cut points to make a compliance determination for LRE alone, what level(s) would identify as needs assistance, needs intervention and needs substantial intervention?
