ISES Discussion Group Summary Form

Discussion Group:_____ Indicators:_____
Recorder: _____ Reporter: _____

Purpose of the Discussion Groups

- Begin implementing a revised improvement planning process for special education.
- Increase knowledge of trends in data related to the State Performance Plan (SPP) indicator.
- Discuss improvement strategies.
- Review and analyze data to identify needs and priorities.

Questions to Consider During the Discussion

1. What additional data and hypotheses are needed?
2. Based on trend data review, what needs and priorities that surface?
3. What kinds of improvement activities are suggested to you?

Directions: Number and record comments to the questions above in full sentences in the space below. Use back of this worksheet if more room is needed.

Comments for Indicator #_____

Please return the completed form to Marin Brown after the large group report out activity Thank You.
